

PUBLIC EXHIBITION

Land at Bearcroft Farm, to the South East of Godmanchester, has been identified in Huntingdonshire District Council's Local Development Framework Core Strategy as a direction for growth suitable for a mixed-use residential-led development.

The Fairfield Partnership will be consulting on outline plans for the site and we are keen to hear residents' views on the proposals as they emerge. Further consultation will then take place before a detailed planning application is submitted to Huntingdonshire District Council.

Our outline proposals are for a sustainable development including new homes and businesses, as well as a new primary school, retail space, children's play and amenity areas and recreational space for sports, such as a cricket ground and football pitches.

Exhibition dates:

- **Friday 23rd September**
between 11am and 8pm
- **Saturday 24th September**
between 11am and 4pm

Godmanchester Primary School Hall,
Park Lane, Godmanchester,
Huntingdon, Cambs PE29 2AG

We would like your input on our outline plans so that the views of residents' on the future developments of the site can be taken in to account as the plans evolve and we hope you will be able to attend one of our public exhibitions.

Please visit our website at www.bearcroftconsultation.co.uk or call our consultation line on 0207 323 3544 if you have any queries about the exhibitions or if you would like any further information.
